

JUNIOR COMPETITIVE LEAGUES

Our Junior Tennis League is the perfect opportunity for kids ages 6 to 16 to showcase their skills on the court. With a skill level of 3.0 and under to 3.5 and up, our league is designed to provide a challenging and fun experience for all players.

Our coaches work tirelessly to ensure each player gets the most out of their experience, whether they are learning new techniques or perfecting their existing skills while playing matches.

Our league is a great way to foster teamwork, sportsmanship and overall fitness. It is an opportunity for kids to make new friends and develop a love for the game of tennis that can last a lifetime.
